

## BECOME A LION

The Keene Lions Club, founded in 1937 is comprised of service-minded people who are interested in improving the lives of our neighbors. Lions come from all walks of life; young people, families, and everyone in between. To become a Lion is to become an active volunteer, a member of a respected international organization, a leader who is helping people in need.

There are many reasons to become a member. As a Lion, you'll:

- Serve our community
- Better people's lives, both locally and internationally
- Learn to be a leader
- Make new friends
- Energize your life and have fun

You'll grow personally and professionally. And you'll know that what you do is worthwhile and appreciated.

## LIONS ARE READY TO HELP

Whenever a Lions Club gets together, problems get smaller, and communities get better. That's because we help where help is needed—in our own communities and around the world—with unmatched integrity and energy.

We are one of the most effective service club organizations. We get the job done.

Everywhere we work, we make friends. We work to improve our community. We're led by talented, dedicated volunteer leaders. And we are supported by the Lions Clubs International Foundation (LCIF), which helps to fund national and international Lions humanitarian projects.
